Agreement entered into this 1st day of October, 2021 between the Office and Professional Employees International Union, Local No. 153, AFL-CIO, hereinafter referred to as the Union and the Joint Industry Board of the Electrical Industry, hereinafter referred to as the Employer.

Whereas, the parties hereto desire to cooperate in establishing conditions which will tend to secure to the employees concerned a living wage and fair and reasonable conditions of employment and to provide methods for fair and peaceful adjustment of all disputes which may arise between them so as to secure uninterrupted operations of the office involved.

Now, therefore, be it mutually agreed as follows:

ARTICLE I - RECOGNITION

- 1.0 The Employer agrees to recognize the Union as the sole collective bargaining agent for its office employees, exclusive of supervisory personnel.
- 1.1 For all purposes concerning the terms and conditions of employment under this agreement, including but not limited to wages, benefits, seniority and transfers, the Joint Industry Board of the Electrical Industry and JIB Services, LLC will be treated as the same employer and shall jointly be referred to as "Employer" in this agreement.
- 1.2 The Employer agrees that all employees covered under this Agreement shall, as a condition of employment, thirty-one (31) days from the execution of this Agreement, become and remain members of the Union in good standing.
- 1.3 The Employer further agrees that all new employees hired subsequent to the effective date of this Agreement shall, as a condition of employment, thirty-one (31) days from the date of employment, become and remain members of the Union in good standing.
- 1.4 The Employer agrees to deduct union dues and initiation fees from the wages of each employee. Dues and initiation fees will become due and payable according to the following schedule:

For persons hired before the 23rd of the month,
dues shall become payable the following month.

For persons hired on or after the 23rd of the month,
dues shall become payable the second following month.

The Employer agrees to remit such dues and initiation fees thus collected to the Union each month at a time that would insure receipt of said monies at the Union office prior to the last day of the month, and will make supplemental remittances thereafter of amounts deducted from the salaries of employees then on vacation, on leave of absence or otherwise not on the current payroll. The Employer will deduct unpaid union dues and initiation fees from the final paycheck of any eligible employee member.

- 1.5 The Employer shall deduct from the wages of any employee who submits a voluntary authorization card, an amount designated by such employee for OPEIU "Voice of the Electorate" (VOTE) Fund. Such voluntary contributions shall be forwarded to the Secretary-Treasurer of OPEIU, Local 153, AFL-CIO, monthly, by check, payable to "Voice of the Electorate" along with a listing of persons who donated such monies.

- 1.6 Any change in the rate of dues and/or initiation fees levied by the Union will be put into effect in the deductions made by Management in the month following the month in which Management receives written notice of the change from the Union.

The Union agrees to file an initiation fee and dues deduction assignment form with the Employer prior to such deductions.

- 1.7 The jurisdiction of the Union shall be all work and work functions presently being performed by members of the bargaining unit and all new work functions created to serve the same purposes.

- 1.8 It is understood that positions may occur encompassing a part-time schedule of work. When an employee is regularly scheduled to work less than the contractual 35-hour workweek, the following shall apply:

- a) 15 to 27 hours per week -

The employee shall become a member of the Union. This employee shall be entitled to the wage schedule provided for in the agreement and other benefits prorated on the amount of time worked with the sole exclusion of health and life insurance.

- b) 28 hours or more per week -

The employee shall become a member of the Union and be entitled to the health and welfare benefits. In addition, this part-time employee shall receive a pro rata allowance of other benefits such as vacation, paid-for time off, etc.

- 1.9 Union Prerogative - No clause in this Agreement shall be understood to imply any lowering of the working conditions heretofore existing in the office of the Employer.

ARTICLE II - SENIORITY

- 2.0 Seniority shall be defined as the total length of continuous service with the Company for all purposes other than promotion outside of the bargaining unit. Overtime work shall be offered by department seniority.

- 2.1 All new employees hired by the Employer, with the exception of programmers, shall be engaged for a trial period during the first sixty (60) days of their employment. Such employees may be terminated during said trial period for any reason without cause or justification.

- 2.2 Employees in the programmer classification shall be engaged for a trial period of ninety (90) days. Such employees may be terminated during said trial period for any reason without cause or justification.

- 2.3 The chief shop steward shall have super seniority over the collective bargaining unit. The Local No. 153 business representative shall be present at any and all discussions regarding the shop steward.

ARTICLE III - LAYOFFS AND RECALL

- 3.0 In the case of a reduction in the working force due to economic reasons, the employee with the least amount of seniority in each classification will be the first laid off from that job, but may replace an employee in the same or lower labor grade with the least seniority in such classification, providing he has the qualifications to satisfactorily perform the job and has greater job seniority.
- 3.1 An employee who bumps back to a lower rated job shall receive his present rate of pay or the maximum of the lower job classification, whichever is lower.
- 3.2 The Employer, upon rehiring, shall do so in the inverse order of job seniority. He shall rehire the last employee laid off providing, however, that such employee has the qualifications for the position for which he is rehiring.
- 3.3 No notice of layoff may be given during an employee's vacation period.
- 3.4 In the event any employee resigns or is laid off, the Employer, upon request, agrees to issue a statement as to the character of service rendered by the employee involved.

ARTICLE IV - PROMOTIONS

- 4.0 The Employer agrees to make promotions on the basis of ability and seniority. Where qualifications are relatively equal, seniority within the specific bargaining unit shall prevail. All employee letters for job vacancies will be considered by the Employer in the process of filling a job vacancy.
- 4.1 As organizational requirements cause the Employer to establish a new job or vacancy within the bargaining unit, a notice of such job or vacancy shall be posted on the union bulletin board for a period of three (3) working days. Such notice shall include the labor grade, classification of the job and a description of the duties of the job. Subsequent openings related to an original vacancy will be posted for (1) day.

Notice of New Job/Job Vacancy: Where a job vacancy opens, or a new job becomes available, the JIB shall email these opening to all employees. In the alternative, openings may be conveyed through text alert or other forms of communication that provide sufficient notice

- 4.2 Employees who wish to apply for a posted job shall submit their name and a letter stating qualifications in detail to the shop steward, who will forward the letter to the Employer at the end of the posting period.
- 4.3 Employees applying shall be considered in the order of seniority. If, in the opinion of the Employer, it would not be practical, because of the provisions of section 4.0 above, to select the employee applying who has the greatest seniority, the Employer shall so notify the Union. In the event of a dispute, the matter shall be handled pursuant to Article XVI hereof.
- 4.4 The Employer will make a decision within two (2) weeks of the end of posting or report to the Union the reason connected with the status of the unfilled opening.
- 4.5 An employee selected to fill a vacancy under the above procedure shall receive any required contractual rate change at the time of transfer.

- 4.6 The Union will submit a list of employees or jobs that are believed to be worthy of consideration for reclassification or upgrading every six (6) months prior to February 1st and August 1st. The Employer will discuss these requests with the Union within one month from the receipt of the list. The Employer will review Personal Time records and consider only those employees with up to seven (7) Personal Days out during the previous six (6) months.
- 4.7 The Employer will maintain a bulletin board for all Union postings in accessible locations. These bulletin boards shall have a lockable glass enclosure.
- 4.8 The Employer and the Union will periodically review and update job descriptions.
- 4.9 All new hires must complete twelve (12) months of employment in the same department before applying for Merit/Upgrade. An employee who accepts an upgrade will remain in the same department for at least six (6) months before applying for a position outside of the department.

ARTICLE V - DISCHARGE

- 5.0 The Employer reserves the right to discharge any employee for just cause as heretofore. In the furtherance of a better employer-employee relationship, the Employer will give notice to the employee and the Union prior to such discharge.
- 5.1 No prior notification need be given for discharge due to dishonesty, drunkenness, or insubordination.
- 5.2 Any change in the administration of the affairs of the Employer shall not result in the discharge, layoff, or discrimination against any employee.
- 5.3 Two (2) weeks' notice shall be given by the Employer to the employee and by the employee to the Employer in termination of employment. However, the foregoing shall not apply in cases of discharge for just cause.

ARTICLE VI - NON-DISCRIMINATION

- 6.0 The Employer shall not intimidate or coerce, discriminate against, interfere with, or restrain any employee by reason of his membership in the Union, nor prevent nor hinder any employee from becoming or from continuing to be a member of the Union, nor attempt to encourage membership in another union.
- 6.1 There shall be no discrimination by either party because of race, color, creed, gender, disability, marital status, sexual orientation, and genetic makeup regarding employment or continuation of same.

ARTICLE VII - HOURS

- 7.0 Seven (7) hours per day and thirty-five (35) hours per week shall constitute the regular hours of work.
- 7.1 Time and one-half the regular rate of pay shall be paid for all work performed in excess of seven (7) hours per day and thirty-five (35) hours per week, except for those employees in the programmer classification, who due to the unique nature of their work, shall receive compensatory time off for the time worked in excess of the normal work week. This compensatory time is to be calculated at one and one-half times the overtime hours worked. For the purpose of this calculation, paid time off due to vacation, holiday, bereavement and disability shall be credited toward meeting the thirty-five (35)

hours for the same workweek in which the work was performed. Paid Personal Time off will be excluded from this calculation.

Mandatory overtime will be pro-rated during Holiday weeks when holiday falls on a business day.

- 7.2 The Employer agrees to two relief periods of not more than fifteen minutes each in each day's work schedule. The employees agree to abide by a schedule of breaks and lunch hours so that the efficient operation of the office will be maintained throughout the day.
- 7.3 Those employees who are scheduled to work two hours overtime in a regular workday shall be entitled to an additional fifteen-minute relief period at the end of the regular shift. Employees who start two hours before their regularly scheduled starting time will receive a fifteen-minute relief period provided that they are assuming a schedule of an absent employee. This relief period is not available to an employee who begins work on their regular duties prior to their regularly scheduled starting time.
- 7.4 The Employer will notify employees, whenever possible, well in advance when overtime is required. The Union realizes that the schedule of necessary overtime assignments will be done on a seniority basis. Employees will be offered the overtime in the order of seniority. In the event this procedure does not produce sufficient manpower to work the overtime, then the Employer will require employees to work in the reverse order of seniority. The Employer will make every effort to avoid mandated overtime. The Union recognizes that circumstances exist when overtime is necessary to the operation of the organization. Mandatory overtime may be made up during the two weeks following a period when an Employee is out ill for three (3) days or on jury duty. In rare and unusual circumstances, when mandatory overtime is necessary due to no fault of the employer, where employer is forced to give less the twenty-four (24) hour notice, employer agrees to pay double time. Employer reserves the right to review the circumstances surrounding the overtime.
- 7.5 The Union will submit a monthly list of employees who make themselves available for overtime. The Employer will review this list and assign overtime by seniority and grade level required to perform the overtime assignment. Employees who fail to accept the Employers request to work overtime more than three times within a one-month period, are reverted to the bottom of the list for the following three months.
- 7.6 The Employer agrees to allow Employees who volunteer to instruct others in job functions to do so on their own time.
- 7.7 A flexible work schedule shall be permitted for those Employees who are deemed to have a personal hardship situation. The schedule must conform to the work needs of the Employer.

- 8.1 All work performed on any of the above enumerated holidays or work performed on any Sunday shall be compensated by time and one-half the regular rate of pay and an additional day's pay, except for those Employees in the programmer classification, who, due to the unique nature of their work, shall receive compensatory time off in lieu of time and one-half. This compensatory time is to be calculated at one and one-half times the overtime hours worked. If a holiday falls within an Employee's vacation period, such holiday shall not be considered as part of the vacation period and the Employee shall receive his full vacation in addition to holiday pay as herein above.
- 8.2 Any holiday which falls on Saturday or Sunday shall be celebrated on either the Friday before or the Monday following. The date on which the holiday will be celebrated will be announced by the Employer at least thirty (30) days in advance.
- 8.3 The Employer agrees to amend the paid holidays automatically to reflect any additional holidays negotiated in the "A" construction agreement.
- 8.4 Birthdays will be celebrated with a day off. This day may be taken on the anniversary or another day. The Employee must request this time off at least one week before the anniversary or the alternative date, subject to the convenience of the Employer. The retiree may appeal such determination and provide documentation as to the total disability. Effective October 1, 2007, the J.I.B. This coverage shall include spouse and eligible children of the employee. The Joint Industry Board may require such retiree to submit to periodic medical evaluations and may choose a physician outside of the Electrical Industry Medical Department to perform the examination. If it is determined that the retiree is not totally disabled, health coverage may be permanently discontinued to the retiree, spouse, and eligible children. The retiree may appeal such determination and provide documentation of total disability.
- 12.5 If an active participant of the Pension Hospitalization and Benefit Plan dies, the spouse and eligible children will remain covered for up to 60 months following their death, or until the

The Dental Benefit Fund of the Electrical Industry will provide coverage up to 36 months.
- 12.7 If a participant dies while at work as a result of injuries suffered at work, the surviving spouse and eligible children will be entitled to full benefits subject to the following:
- a. Benefits to the spouse shall continue for his or her life unless he or she remarries; upon remarriage the benefits will cease, and
 - b. Benefits to the dependent children shall continue in accordance with the rules of the Plan as if the participant was still alive, regardless of whether the surviving spouse remarries or dies.

ARTICLE XIII - VACATIONS

- 13.0 Employees having completed six (6) months but less than one (1) year of service prior to January 1st, shall be given one (1) week vacation for six (6) months or a pro rata number of vacation days based on their service less than one (1) year.

- 13.7 The January 1st to December 31st vacation year will be the basis for computing the vacation allowance. Those employees whose anniversary date for an increased vacation allowance falls after the December 31st qualifying date will receive a pro rata increase in the allowance of January 1st.

- F) Employees shall not be penalized for taking personal days in excess of the Jury duty days provided under this Article.

ARTICLE XIX - EDUCATIONAL BENEFIT

The Employer agrees to an Educational Benefit. Employees hired on or after October 1, 2021 must be employed by the Joint Industry board and have completed a minimum of two (2) year of employment with the Joint Industry Board. Employees hired prior to October 1, 201 will be eligible with a minimum of one (1) year of employment. Covered operations are those military operations designated by the federal government of the United States, in support of "Operation Enduring Freedom," "Operation Iraqi Freedom," "Operation Noble Eagle," or successors thereto, or operations specifically connected by federal designation, action or implication with homeland security. An eligible employee shall receive the difference between his or her JIB salary and military pay where the military pay is less than the JIB salary, during the period of coverage up to five (5) years. The determination that probable cause exists must be based on specific and articulable observations of the employee's behavior that are commonly identified with drug/alcohol use.

- a) Drugs/alcohol testing shall be used to identify those employees with drug/alcohol dependency issues for the purpose of referring those employees to an employee treatment program for assistance. Such testing shall not be used for the purpose of terminating those employees with dependency issues given the employee accepts treatment. An employee, who refuses treatment (given a reasonable amount of time) after a positive test result, can be terminated by the Employer.
- b) Acknowledging the potential for abuse of the drug testing system, management will maintain close supervision of the procedures and report to the Union representative upon request. To assure privacy and accuracy during testing, the Employer shall provide the Union with the name of the company used to conduct the testing as well as information regarding how the samples are obtained, how they will be handled, and how and by whom they will be tested. The Employer and the Union shall discuss any concerns that exist regarding the company being used or any other privacy or accuracy issues.

The Employer and Union agrees to establish and administer a joint labor-management workplace safety committee.

ARTICLE XXVII – MANAGEMENT RIGHTS

The Employer reserves the right to the sole conduct of its business, to consolidate, discontinue or create any department or division of any office, to determine the kind, class and character of work and to assign to any employee such class and character of work as it deems proper, necessary and suitable, to hire from any source whatever, to promote, transfer, suspend, lay off and rehire without discrimination, to discharge or discipline for cause, and to maintain discipline and efficiency of employees without discrimination, to establish and distribute office and safety rules, subject to the provisions of this Agreement.
